Buying a Certified Used Vehicle	Dealer Retail
Certified Used Price	\$0

Terms Defined

Trade-in: This is the amount you can expect to receive when you trade in your used car and purchase a new car. The trade-in price is usually credited as a down payment on the new car.

Dealer Retail: This is what other customers have paid for similar cars in your area. Dealer retail will usually be higher than private party prices and much higher than trade-in prices.

Certified Used Price: The price of a used vehicle sold by a franchised dealer of the same make. It's certified by following the manufacturer's service and inspection requirements. When sold, the accompanying warranty is backed by the manufacturer. Expect to pay more for certified pre-owned vehicles over others.
